Penalty Point System

A system of penalty points is accumulated each season for your team, 1 point per yellow and 3 points per red. Teams reaching 40 points in any season are fined according to the fine structure. See website for more details.

Permits

A player registered to a club may be added to your team sheet as a single game permit to play for his club in a higher division for League games only. Clubs may use a maximum of seven (7) players on a single game permit basis.

Under-21 teams are allowed to play a maximum of two overage players per game, on permit, so long as those two players are registered with another adult team of the same club. These single game permits must be handed to the referee at the same time as the team lists. These permits are valid for league games only. (See website for form)

A player who is sent off (Red Card) while playing on an inter-club single game permit shall be suspended from all further play (for any team) until his hearing and suspension is served. He is ineligible for play for the entire weekend (for all teams and games) on the final game of his suspension.

Substitutions

All divisions are unlimited except Premier which allows 5 substitutions during the 90 minutes and unlimited at the halftime break. If the game has overtime the break between the 90 and overtime has unlimited substitutions. In Premier games sub slips must be used at all times. See permits & forms @ www.fraservalleysoccer.com.

All substitutes shall report and/or submit a substitution slip (premier only) to the referee or assistant at midfield. To replace a player with a substitute there must be a stoppage in play and the referee must acknowledge the change. This change can happen on either teams' possession at the referee's discretion. The player only enters the field of play after the player being replaced has left the field and after receiving a signal from the referee. The substituted player may leave from any boundary line. At the halftime interval the substitute becomes a player once receiving a signal from the referee to enter the field prior to the 2nd half kickoff.

Golden Boot, Gloves & MVP
