Player Eligibility and ITC & PTC Regulations

Any player who has registered to play soccer outside Canada or in another province MAY NOT be eligible to register without the proper transfer certificates.

As the manager of your team, it is **your** responsibility to ensure that each of your players is eligible to register under BC Soccer rules. You are required to answer several questions about each player you propose to register. (If the player self-registers, he will have to answer the questions for himself.)

Please ensure **ALL PLAYERS** are eligible to register. If you have any doubts about a specific player's eligibility, please contact the Executive Director.

Playing an ineligible player can result in serious penalties, which may include a \$100 fine and loss of game **FOR EVERY GAME THAT PLAYER PARTICIPATED IN.**
